TECHNICAL SKILLS

Languages: HTML 5, CSS 3, JavaScript,
Libraries/Frameworks: jQuery, Bootstrap, Foundation
Applications/Other: Visual Studio Code, Node.js

PROJECTS

Project1 | **https://github.com/AnnaliisaS/project1** | **https://annaliisas.github.io/project1/**
Project1 (aka BookHunter) is a a web search application that returns books based on user's criteria with the option to disregard those that they have already read. Users can click links to find local libraries or bookstores that might stock the book, see similar results on Amazon, and save stories for future reference.

Core Responsibilities were repository management and Front-End design regarding page styling and structure.

Technologies used were HTML5, CSS3, Foundation, JavaScript, APIs: OpenLibrary and Google Maps, and Look logo maker.

EXPERIENCE

Front Desk/Cashier   2018 – 2019
K1Speed   Bellevue, WA
Provided excellent customer service, helped customers with questions and/or concerns both in person and over the phone, accurately handled Point of Sale operations to ring up customers for purchases, coordinated and scheduled races precisely and efficiently, gave drivers safety briefings as necessary, and maintained the front desk area so it was clean, stocked, and organized at all times.
Key Accomplishments:
- Helped management train new cashiers and Front Desk Supervisors as needed.

Tutor   2015 – 2015
Renton Technical College   Renton, WA
Provided tutoring services for students in the Surgical Technologist Program. Assessed students and provided guidance on study habits, as well as assisted them in their learning of material utilizing a variety of tools/ methods tailored to their needs.

Surgical Services Patient/Family Ambassador   2013 – 2014
Overlake Medical Center   Bellevue, WA
Volunteer role, spent 112 hours in the Perioperative Care Unit helping to transport patients, relay communications between patients and family in the waiting room, and performed light housekeeping duties.

Front Desk/Cashier   2007 – 2013
The Aviator's Store   Seattle, WA
Provided excellent customer service, conducted accurate cash handling and point of sale operations, answered multi-line telephones and received sales orders from business clients.
Key Accomplishments:
- Trusted to ensure smooth business operations when the owner and manager were absent to attend trade-shows. Helped management train new cashiers as needed.
